

# Registration Form

SPECIFIC AREAS OF INTEREST

## PLEASE REGISTER NOW FOR CD-ROM UPDATES

Are you interested in receiving automatic updates? Take a moment now to register to receive Fujitsu Microelectronics CD-ROM updates as they are released. We have provided three methods to complete your registration; please use the one most convenient for you.

1) Shrink-wrapped with the CD-ROM is a registration Business Reply Card which you can complete and mail to the Fujitsu Microelectronics Customer Response Center.

2) You may print out this page and complete the form by hand, then fax or mail to Fujitsu Microelectronics at:

Fujitsu Microelectronics, Inc.  
Customer Response Center  
P.O. Box 49017  
San Jose, CA 95161-9952

**Facsimile:** 408-922-9179

**Telephone:** 1-800-866-8608

**E-mail:** fmicrc@fmi.fujitsu.com

**http://www.fujitsumicro.com**

3) If you have internet access, visit our World Wide Web site at <http://www.fujitsumicro.com> to complete an on-line registration. From the home page, click on the CD-ROM registration button and when prompted enter "cdrom" as the username and "FMIVOL" as the password. Then, complete and submit the registration form.

Fujitsu Microelectronics is dedicated to providing you with convenient and accurate product information. Your comments are important to us. Thank you for taking the time to register as a CD-ROM user.
