     Symbol table output: 6   00:00:00.04   00:00:00.30
Total run values: 235   00:00:02.57   00:00:03.84

Using a working set limited to 600 pages and 47 pages of data storage (excluding image)

Total number object records read (both passes):   50
     of which 0 were in libraries and 0 were DEBUG data records containing 0 bytes

Number of modules extracted explicitly   = 0
     with 0 extracted to resolve undefined symbols

0 library searches were for symbols not in the library searched

A total of 4 global symbol table records was written
